Mynott Bowers UK Latest news.....

On Tuesday 28th March, Mynott Bowers Group received the news that the organisation has been short-listed in the Construction News Awards 2023, in the category of 'Construction Consultancy of the Year'.

The Construction News Awards showcase and celebrate the very best in the industry. Having become the most prestigious and coveted awards in the construction sector.

Winning a Construction News Award is a well-recognised badge of excellence amongst clients and peers.

The categories celebrate amazing projects, technical innovations and forward-thinking companies including the biggest contractors and businesses in the sector.

Entries are judged by an independent panel of 70+ major clients and industry figures, who ensure integrity and rigour in our awards process.

Winners to be announced on 13th July at the Grosvenor Hotel in London.
